

Beyond your imagination

Grand Class Collection Modular Resilient Flooring

Grand Class Collection

Beyond your imagination

The Grand Class Collection

Being surrounded and often immersed by technology in work and private, people are looking for balance in life. In parallel, the borders between work and home becoming increasingly blur, it incites a strong desire of bringing more nature into our interiors.

Green-Flor® brings therefore an utterly exciting and new floor collection, with 4 new designs in a marvel of different color tone settings: The Grand Class Collection. Proposing an amalgamation of authentic and crafted designs with surprising and unexpected earthy muted tones but also exceptional stylish color combinations, a vast choice in setting the desired atmosphere is at your disposal.

The additional product features of the new robust plank size of 22,86 x 142,24 cm combined with the trusted characteristic Green-Flor® advantages of super-matt scratch resistant coating enhanced with a surface texture generating the distinctive original wood grains and subtle v-groove on 4 sides, guarantees you a through nature inspired genuine top quality design product.

Push your boundaries in interior design !
